

WHO WE ARE

Incorporated in the year 1995, FEEL FRESH BUILDERS P LTD., is a design build contracting company extremely familiar with the process of what it takes to build a new structure. Clients can be assured of the quality and professionalism of our company because it is tailored to the specific needs of each client and project. We approach each project with a co operative mindset, working with clients, architects, consultants and sub contractors towards the common goal – successful project delivery. Based in Chennai we undertake projects like factories, schools, hospitals, commercial buildings, residential buildings, interiors, road works, infrastructure works etc.,

Over 21 years, our experience has made us specialists in partnering, estimating, purchasing, scheduling, cost engineering, safety, and community relations. Our company had preserved long term relationship with our clients through good understanding of their requirements. We are maintaining our reputation by creating quality and timely solutions.

The majority of the projects have come from referrals which is a testament to the performance and commitment towards our work. Our clients are offered with competitive price without lowering the high quality of work and completing the project on time. We are passionate about what we do. We provide a level of service and expertise that goes far beyond that of traditional construction companies.

WHO WE ARE

For all projects regardless of scale or budget we strive to gain a clear understanding of our client's brief to define clear objectives and requirements. We spend time working with our clients and specialist consultants to identify opportunities, allowing us to deliver a quality product.

Our company provides a full complement of construction services to meet clients' needs like design-build, general Contracting and turnkey capabilities.

We perform under multiple contract types and delivery methods depending on our clients' requirements and preferences.
